Subject: Fwd: California Public Records Act Request: CALIFORNIA PUBLIC RECORDS REQUEST – FACIAL RECOGNITION SOFTWARE (Bakersfield Police Department)

This follow up came in today about the facial recognition request. I thought Richard had sent a reply on this one advising we have no documents. An I wrong?

Brian

This is a follow up to a previous request:

To Whom It May Concern:

I wanted to follow up on the following California Public Records Act request, copied below, and originally submitted on Dec. 26, 2018. Please let me know when I can expect to receive a response.

Thanks for your help, and let me know if further clarification is needed.

Somerville, MA 02144-2516

PLEASE NOTE: This request is not filed by a MuckRock staff member, but is being sent through MuckRock by the above in order to better track, share, and manage public records requests. Also note that improperly addressed (i.e., with the requester's name rather than "MuckRock News" and the department number) requests might be returned as undeliverable.

On Jan. 9, 2019:
Mr. Swartz,

We have received your inquiry and have started our search for any relevant records. I anticipate needing approximately two weeks to compile all necessary documents. If there were any questions feel free to contact me.
Regards,

Brian Holcombe, Sergeant
Public Information Officer
Bakersfield Police Department
Desk (661) 326-3803
Cell (661) 496-0719

On Dec. 26, 2018:

To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

Per the California Public Records Act (Govt. Code 6250-6270), I am writing to request the following information from your office for the period January 1, 2015 to the date of this letter.

Number, if any, of Facial Recognition software or Facial Recognition-enabled equipment in place with this department or agency. Please specify if software has been purchased or if services are performed by outside contractors for the department or agency. Please include pilot or testing programs within the scope of this request

Any documents or correspondence during the period encompassing this request regarding possible or planned acquisition of Facial Recognition software packages, Facial Recognition-enabled equipment or service agreements.

Any existing or proposed usage policies regarding the use of Facial Recognition software or Facial Recognition-enabled equipment, including protocols, training documents, data storage procedures and prohibited activities.

Any current or past litigation involving or referencing this department or agency involving the use of Facial Recognition software or Facial Recognition-enabled equipment.

Please notify me when this information is available .

Thank you for your attention to this request and for your prompt reply within 10 days.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Aaron Swartz Day Police Surveillance Project
